

Free Online gardening Advice

<http://www.gardenadvice.co.uk/advisor/freeadvice/index.html>

Our free online gardening advice service is designed to answer your garden questions by providing you with emailed answers often with links to free how to video clips and is available with or without membership to GardenAdvice.co.uk. However, we recommend that you take out the free membership option as members receive priority

Free Garden Design Course

<http://www.gardenadvice.co.uk/project/design/index.html>

Our GardenAdvice advisors have designed this course to enable you to team up with one of our design experts to help you design your own garden at home with a lot of help from us. The course has been designed to aid novice and experienced gardeners alike. To complete the course you do not need any plant knowledge, landscape knowledge or drawing skills.

Free Garden Border Design Service

<http://www.gardenadvice.co.uk/advisor/designadvice/border.html>

Send us the shape and size of your border and we will design it or you. The border design service is part of our garden design section. Your border will be designed by our fully qualified and time served garden designers. This is a free service for garden borders up to 20 square metres.
